

OpticalShield collects only the information needed to provide our products and services (example: quotes) to you in a timely manner. Information about our customers is an important part of our business, and we do not share our customers' personal information with others.

We receive and store product and shipping information you provide, and we collect and store certain types of information about your use of the OpticalShield website, including information about your interaction with the content. Like many websites, we use "cookies" and other unique identifiers, and we obtain certain types of information when your web browser or device accesses content provided by our web servers.

We use your personal information to handle orders, deliver products, and communicate with you about products and promotional offers. We may use your information to provide, troubleshoot, and improve our online services and we use your personal information to provide functionality, analyze performance, fix errors, and improve the usability and effectiveness of our online services.

We use your personal information to recommend products, and services that might be of interest to you as well as to comply with legal obligations.

We use your personal information to communicate with you in relation to our online services via different channels (e.g., by phone, email, chat).

We use personal information to prevent and detect fraud and abuse in order to protect the security of our customers and OpticalShield. We may also use scoring methods to assess and manage credit risks.

To enable our systems to recognize your browser or device and to provide and improve our online services, we use cookies and other identifiers.

We maintain physical, electronic, and procedural safeguards in connection with the collection, storage, and disclosure of personal customer information. Our security procedures mean that we may occasionally request proof of identity before we disclose personal information to you.

It is important for you to protect against unauthorized access to your password and to your computers, devices, and applications. Be sure to sign off when finished using a shared computer.

If you have any questions as to how we collect and use your personal information, please contact our Customer Service.
